About Farm Keeper

Farm Keeper has been dedicated to high-quality food production and international trade for over **20 years**. As a comprehensive food enterprise, we integrate production, processing, and import-export services under one roof. With a team of experienced professionals, we are committed to delivering safe, hygienic, and healthy green food to consumers worldwide.

Certified by **HACCP, ISO, BRC, HALAL, IFS, and FDA**, our products meet the highest global standards. We are committed to offering high-quality food at competitive prices, with strict control over every stage of the supply chain.

Farm Keeper operates seven modern processing plants across **Shandong, Hebei, Liaoning, and Jiangsu Provinces**, equipped to meet global food safety and quality standards.

We serve customers in over **40 countries and regions**, including Japan, South Korea, the European Union, Australia, North America, the Middle East, and Southeast Asia. In addition to production, we offer professional international trade services to help clients streamline their sourcing and procurement.
