

All-New Stainless Steel Series

This newly launched stainless steel range creates a distinctive and brand-new experience for users, blending fine craftsmanship with practical functionality.

Upgrade Advantages

Sturdy & Deformation-resistant

Built with 1.0mm thickened plates, effectively preventing deformation while delivering premium texture and long service life.

German-grade welding & polishing craft

One-piece seamless molding with no solder joints. Avoids dust accumulation and sharp edges for safer and more exquisite quality.

Fingerprint-resistant

Resists water and oil stains, leaving no hand marks. The smooth surface stays bright and clean and reduce maintenance.

Luxury Styling, Multi-scene Compatible

Designed with sleek minimalist luxury lines for an elegant look. It fits various decoration styles and blends perfectly into all commercial scenarios.
