URGENT STOCK & PRICE ENQUIRY

Date: 21 September 2026

To whom it may concern,

We are enquiring about current stock and pricing for the item below. Kindly reply as a matter of urgency.

Item	Nasogastric (stomach) tube, Levin-type
Size	14 FG / 14 FR
Specification	Sterile, single-use, PVC, latex-free, radiopaque, open cylindrical tip with side eyes
Indicative quantity	500 units (please quote for 500; smaller quantities also of interest)
Sample	1 to 2 units, urgently (see below)

Please confirm:

1. Whether the item is in stock, and the quantity available
2. Unit price and total for 500 units (excl. VAT), plus delivery cost
3. Brand and country of manufacture, and SAHPRA registration / CE / ISO documents
4. Whether 1 to 2 units can be couriered urgently, and the cost and lead time to do so
5. Lead time for the full quantity

Please reply to **ben@ntebzatrading.co.za** or call **+27 78 657 2121**.

Kind regards,
Procurement Desk
