BILL OF QUANTITIES

LOT I – Sysmex UC-1000 Urine Test Strips & Quality Control

Item	Description	Reference	Unit	Item	Description
1	Sysmex UC-1000 Urine Test Strips – 100 strips per bottle	Bottle	250		

Termos de Referência para Manutenção e Controlo de Qualidade

Item	Description	Reference	Unit	Item	Description
1	Sysmex UC-1000 Urine Test Strips – 100 strips per bottle	RU38-BN756610	1 semester		
2	UC-Control Reagents – 2 levels × 3 × 10 ml	RU38-AU448469			

Important: The urine test strips must be compatible with the Sysmex UC-1000 and correspond to the required reference RU38-BN756610. The tender also requires physical samples

Please confirm:

- Compatibility with **Sysmex UC-1000**
- Manufacturer
- Brand
- Product reference
- Packaging
- Shelf life
- Country of origin
- Availability
- Lead time
- Certificate of Analysis (CoA), if applicable
- CE certificate / regulatory documentation
- ISO certification
- Technical datasheet
- Validity of quotation
- Minimum order quantity

LOT II – Central Venous Catheter

Item	Description	Unit	Quantity	Item	Description
1.	Central Venous Catheter – **2-way / Double Lumen**)	unit	3 000		

Please provide the following technical information:

- Product name
- Manufacturer
- Brand
- Catalogue/reference number
- Number of lumens
- Catheter size
- Catheter length
- Needle specifications
- Guidewire specifications
- Flow rate
- Packaging
- Sterility
- Shelf life
- Country of origin
- CE certificate
- ISO 13485 certificate
- Product datasheet
- Declaration of Conformity
- Availability of samples

The detailed tender specification identifies the required catheter as **2-way, 7Fr × 30 cm**, with guidewire Ø0.89 mm/0.035", length 30 cm, and specified proximal/distal flow rates

Manufacturer's Authorization Letter

Date:

Tender No.: 58A000741/CL/22/2026

Variant No.: [indicate identification if this is a Variant Proposal]

To: MAHLORI HEALTHCARE, LDA

The company [Manufacturer's Name]**, official manufacturer of** [indicate name of manufactured Goods]**, with manufacturing facilities located at** [indicate complete factory address]**, hereby authorizes** [full name of the Bidder] **to submit a bid for the supply of the following goods manufactured by us:**
Procurement of Sysmex UC-1000 Urine Test Strips and Maintenance/Quality Contro and Central Venous Catheters

and subsequently to negotiate and sign the Contract with you in relation to **Tender No. 58A000741/CL/22/2026**
